@cescoferraro

Name	Francesco Antonello Ferraro
Graduation	Software Engineer
Email	francescoaferraro@gmail.com
Birthdate	12/30/1987
Location	Porto Alegre/RS - Brazil

Professional Summary

I started off as a Civil Engineer, but felt in love with coding. I have been working in the industry for 4+ in order to constantly engage myself with more complex problems. I grow up with the Internet, so that my primary focus as a developer. I really want to help it evolve as much as I can, so maybe I can pay off all the acknowledgment and fun it gave me. Have been a Linux user for 10+ years.
